

# How to Install Prism 8?

Qinlu (Claire) Wang  
BCBB/OCICB/NIAID

1. Find “**NIH Self Service**” on your desktop. **Click it.**

2. Search “**Prism**” then click “**Install**”. “Reinstall” means Prism has already been installed in your Mac/Windows/PC.

3. Go back to desktop, then search “**Prism**”. **Double click “Prism 8”.**
